FILE HEADING.

Construction of a Maternity Ward for the L. F. Dispensary at Tyamagondlu, Nelamangala Tk from the charity amount offered by two local merchants.

FROM

The Senior Surgeon in Mysore

No. C 623 Dated 4. 9. 1931 Received 5. 9. 1931

Diary No. 1347	Enclos. 1	Spare copies	Serial No.

BRIEF ABSTRACT OF LETTER

Solicits orders if the acceptance of the donation of Rs 3000/- made to him by two Sowcars of Tyamagondlu for the Construction of a Maternity Ward for the (local) L.F. Dispensary may be ratified and proposals submitted for the construction of the Ward.

NOTES AND ORDERS.

1) The Senior Surgeon considers that Tyamagondlu being close to, and within the easy access of a well established Maternity Hospital at Bangalore there is no justification for a separate Maternity Ward at that place. He says that the in-patient ward attached to the L.F. Dispensary there may be utilised whenever necessary as a Maternity Ward, the midwife being

required to attend on the cases under the supervision of the Sub Asst Surgeon.

2) The terms on which the donation has been made by the donors are not known. The original application addressed to the Amildar by them may also be called for and perused by Govt before arriving at a decision in the matter.

3) Submd for orders.

5/9 4) The S.S. has made the ref: on the memo of the Amildar, forwarding ~~the application~~ also the Dy Comrs a copy of his letter to the D.C. Another communication may perhaps be awaited after the S.S. receives the application from the D.C.

It is not correct to say that Rs.5,000/- is kept as a Fixed Deposit in the Apex Bank because any particular deposit is not earmarked for this purpose. According to the terms of the Trust-deed the Government can only get from time to time what is actually required for the maintenance of the in-patients of the Meternity Ward not exceeding the interest accruing from that fund. Though Government would be entitled to enforce the terms of the Trust-deed against the Trustees, it would be more satisfactory if the amount is asked to be deposited with Government when the Fixed Deposits mature for payment if the amount is not now available.

53) Since no particular deposit appears to have been earmarked for this purpose, I would suggest (1) that the depositors may be asked to transfer the accruing interest on Rs 5,000/- to the Medical department, for being utilised for the maintenance of the Ward at Vizagapatam. Otherwise, if sums have to be drawn from the Bank when, and as expenses are incurred, the procedure would entail unnecessary correspondence, and the donors may even call for accounts of the sums spent, which the department will not be in a position to refuse. SIR,

I have the honour to forward a copy of Memo. No.Mis.C.42/31--3 dated 19th August 1931, receivedfrom theAmildar, Nelamangala Taluk, Nelamangala, stating that Messrs. C. Ramaswami Setty and C. Ramalakshmana Setty, Sowcars of Tyamagondlu, have come forward to construct a Maternity Ward at their won cost in the compound of the Local Fund Dispensary,Tyamagondlu and have deposited a sum of Rs.3,000/- at the Nelamangala Taluk Treasury. They have also given Mutchalike to the Amildar to the effect that they will construct the building according to the design and hand it over to Government.

In this connection, I would state that Thymagondlu being comparitively close to Bangalore and ~~kkwix~~ within easy access of a well establishmed a Meternity Hospital, There seems to be no justification for an additional recurring expenditure for a Meternity Ward seperately at the place. There is already an in-patient ward attached to the dispensary which, whenever necessary, may be usedalso as a Maternity ward, the midwife being required to attend on the cases under the supervision of the Sub Assistant Surgeon.

I consider that before actually receiving the donation and taking the mutchalike, the Amildar should have obtained the previous orders of the Deputy Commissioner or appraised this office of the offer in view of the future commitments involved.

I solicit the orders of Government if the acceptance of the donation may be ratified and proposals submitted for the construction of a maternity ward as proposed by the donors.

CHIEF SECRETARY'S G.M. 1 MAR 1932

To

The Offg. Chief Secretary
to the Government of His Highness
the Maharaja of Mysore, Bangalore.

Sir,

With reference to your letter No.G.2329/Med. 44-31-2, dated the 16th September 1931, regarding the construction of a Maternity Ward at Tyamagondlu, I have the honour to enclose herewith a copy of letter No. C.2. 2804 dated the 17th February 1932, received from the Deputy Commissioner, Bangalore, intimating that the Amildar has been requested to ascertain whether the donors would agree to the donation being utilised for any other purpose.

I would however suggest that if they agree to pay a donation of Rs.2,000 each, it may be accepted and invested at 6 per cent. and the interest accruing therefrom may be utilised for meeting the dieting charges of one inpatient, which works up to about Rs.120/- per annum.

In commemoration of this donation, a tablet with the donor's name and the amount of donation may be installed at the head of one bed in any major Institution in the State to be chosen by the donors.

To be awaited

I have addressed the Deputy Commissioner, Bangalore, to ascertain and intimate the donors views on this point.

I have the honour to be,
Sir,
Your most obedient servant,

S. Subba Rao

Senior Surgeon.

Letter No.C2-2304/31-32. dated, 27-2-1932, from the Deputy Commissioner, Bangalore District, to the Senior Surgeon in Mysore, Bangalore.

With reference to your letter No. C.623 dated 28-1-1932, calling for a report re: the construction of a maternity ward at Thyamagondlu, I have the honour to state that the Amildar, Nelamangala Taluk, reported that Messrs. C.Ramalakshmana Chetty and C hittur Ramaswami Chetty of Thyamagondlu Town, have deposited one thousand rupees in cash and two thousand rupees in loan bonds to be subsequently replaced by cash, the entire amount being meant for the construction of a maternity ward at Thyamagondlu. In Government Order No. C.2891-4/Med. 38-30-5, dated 7-10-1931, Government observed that a separate maternity ward was not necesary at Nelamangala in view of its close vicinity to Bagalore City where there are well equipped maternity Hospitals. As the Town of Thyamagondlu is similarily situated in respect of Bangalore and has also train and bus services plying between the two places, I have requested the Amildar to ascertain if the donors would agree to the donations being utilised for any other purpose, On receipt of his reply in this office, a further communication will be made to you in the matter.

Senior Surgeon with the Government of H. H. the Maharaja of Mysore.

To

The General Secretary to the Government of
His Highness the Maharaja of Mysore, Bangalore.

Sir,

1) In continuation of my letter No. C. 623-6, dated the 2nd March 1932, regarding the construction of a Maternity Ward at Thyama gondlu, I have the honour to enclose a copy of letter No. C.2. 2804, dated the 8th March 1932, received from the Deputy Commissioner, Bangalore and its enclosure in original, from which it will kindly be observed that the donors are not willing to divert the donation for any other purpose, except the construction of the Maternity Ward and that recently ~~created~~ an uncle of the Donors Mr. Seetharama Chetty has ~~recently~~ created a trust fund amounting to Rs.5,000/- the interest on which should be utilised for dieting and other charges of the Maternity Ward exclusively.

2) The opinion, expressed in my letter No.C.623-1, dated the 4th September 1931, as regards the futility of a separate Maternity ward at the place, still remains unchanged.

3) But as the donors are persistant, a ward may be ordered to be constructed, on the distinct understanding that neither a female Sub Assistant Surgeon nor a trained Nurse can be posted to the place after the construction of the Ward. The ward will be kept in order for receiving any labour cases that will resort to the Dispensary, the cases being attended to by the Midwife of the place, with the help of the male Sub Assistant Surgeon whenever necessary in emergencies. The interest of Rs.25/- per month accruing from the trust will be earmarked for the deiting of such inpatients.

I solicit orders. of Government.

Letter No.C.2-2804/31-32, dated, 8-3-1932, from the Deputy Commissione Bangalore District, to the Senior Surgeon in Mysore, Bangalore.

In continuation of this office letter No.C2-2804/31-32 dated 18-2-32 regarding the construction of a maternity ward at Thyamagondlu, I have the honour to state that the Amildar, Nelamangala Taluk has since submitted his report in the matter. He states that Mr.Ramaswami Chetty and his brother Mr.Ramakrishna Chetty are not agreeable for diverting the donations offered by them for the maternity ward, for any other purpose. Mr.Chitlur Ramaswami Chetty has also given a statement before the Amildar, Nelamangala Taluk stating that the donations were paid with a view to commemorate their mother Srimathi Puttamma Nilamma and these should not be diverted, that one of their uncles Mr.Seetharmiah Setty has recently created a trust according to which a sum of 5000/- is earmarked for dieting and other charges of the proposed maternity ward at Tyamagondlu on the condition that only the interest thereon should be utilised and not the principle and that they agree to bear any additional cost for the construction of the ward, over and above the donations, provided, he is allowed to construct the buildings as per plans and estimates approved by and under the supervision of the Government Department. The statement in original and an extract of the trust created by Mr.Seetharamiah Chetty as stated above are herein enclosed for reference.

The Amildar affirms the above and states that (1) the trust fund yeilds a monthly income of about Rs.25/- of which a portion can be utilised for appointing a ward maid as the whole amount will not be necessary for dieting charges and (2) the Government may give a trained nurse in addition to the midwife.

Under the circumstances, I request you to obtain orders of Government in the matter at an early date.

Sir,

In forwarding herewith a plan and estimate of Rs.4,780/- received from the Executive Engineer, Bangalore Division, for the construction of a Maternity Ward at Thyamagondalu, Nelamangala Taluk, I have the honour to point out that the estimate for this small building appears to me to be rather high in view of the fact that a Rural Type Dispensary building, which has practically double this accommodation was estimated at Rs.3,600 at Sivaganga in the Bangalore District, and very recently the construction of another Rural Type Building at Urdugere in the Tumkur taluk was sanctioned for only Rs.4,450/- (vide your letter No. B.6807 dated the 22nd November 1932 to the Executive Engineer, Tumkur Division).

Coming to the buildings themselves, such an elaborate kitchen as is provided for, is not necessary for the place. The dining hall the bath room and the verandah in front may all be deleted from the kitchen block, and only the bare ~~kitchen~~ kitchen room retained. Moreover the kitchen may be constructed near the existing kitchen of the dispensary, and may be of the same stype.

I may also point out that the donors have deposited only One thousand ~~and~~ Rupees in cash and two thousand rupees in Loan Bonds" for the construction of the Ward. What the Executive Engineer refers to in the last para of his report about the deposit of Rs.5000/- is the sum which is created as a trust, to be earmarked for "dieting and recurring charges of the Maternity Ward," and not for its construction.

Under the above circumstances, I would suggest that the estimate may be caused to berevised so as to be completed within the donated amount instead of its being kept high with the almost certain prospect of entailing additional cost to the Government.

Sir,

In reply to your letter No.G.7294/Med. 44-31-dated the 3rd Instant, re. the construction of a Maternity Ward at Thyamagondlu I have the honour to invite kind reference to my letter No.C.623-19, dated the 13th February 1933, to your address, and to state that in reply to my letter to the Superintending Engineer, Mysore, he informed me that he had called for a plan and estimate of a Rural Type Dispensary from the Executive Engineer, Bangalore, and that the same would be forwarded on receipt. On receipt of this communication ~~xxxxx~~ I wrote back pointing out that what was required at Thyamagondlu was not a Rural Type Dispensary building, but only a Maternity Ward, and it was this latter estimate that I had sent to him for revision. I also informed him that a plan and estimate for a similar ward at Nelamangala was under check in the Chief Engineer's office and that the same type may also be adopted for Tyamagondlu. On this the Superintending Engineer has addressed the Chief Engineer to furnish him with a copy of the plan, and I am still awaiting the final communication from the Superintending Engineer, Mysore.

On receipt the plan and estimate will be submitted for the orders of Government.

Bangalore.

Sir,

In continuation of my letter No.C.623-29, dated the 13th May 1933, regarding the construction of a Maternity Ward at Thyamagondlu, Nelamangala Taluk, I have the honor to forward herewith, for the information of Government a copy of letter No.C2 - 2804/31-32, dated the 15th June 1933, and its enclosures in original, received from the Deputy Commissioner, Bangalore District, from which it will be kindly seen that Mr. Sitarama Setty, does not propose to keep the promised donation of Rs.5000/- in the Government Savings Bank, but has deposited it in Fixed Deposit in the Provincial Apex Bank, and that he has drawn up a Trust Deed laying down that the interest on this amount may be utilised.

As regards the donor's request for appointing one of the members of the Trust Committee, as a member of the Maternity Ward Committee, I wish to point out that no such committee exists.

I have the honour to be,

Sir,

Sir,

In continuation of my letter No.C.623-35, dated the 8th July 1933, about the construction of a Maternity Ward at Thyamagondlu, I have the honour to forward herewith the plan and estimate of Rs.3050/- received from the Chief Engineer in Mysore, and request you to kindly obtain and communicate the orders of Government for the construction of this Ward at the place.

Information regarding the deposit of the Trust Fund to meet the recurring expenses of this Ward has already been furnished in my letter No.C.623-35, dated the 27th June 1933

The donor appeared before me in person, and has expressed his willingness to construct the building himself.

I have the honour to be,
Sir,
Your most obedient servant,

REPORT TO ACCOMPANY THE ESTIMATE FOR CONSTRUCTING A MATERNITY WARD AT THYAMAGONDALU OF NELAMANGALA TALUK.

----:oOo:----

REFERENCE. In the first instance an estimate for Rs.4,780/- was prepared as per sketch furnished by the Senior Surgeon. It consisted of two blocks, 1. main building and 2. a kitchen. The Senior Surgeon in letter No.C623-22 dated 8-3-33 considered the buildings to be very costly and desired to have a building of the type sanctioned by Government vide No.G.O. G.7311-4/med 182-32-8 dated 8-4-33.

The building measures 41'X11' with a verandah in front 7' wide. The verandah will rest on cut stone pillars. Jack arched terrace is provided for the -- complete building. The hall is split into 3 compartments accomodating 3 beds, a bath room and a labour ward. Suitable windows and doors are provided. All other very necessary items have been provided. The cost of the estimate comes to Rs.3,050/-. Tenders will however be called as soon as the estimate will be sanctioned.
